

EAST IDAHO CLIMBERS COALITION

(c) Camdon Kay

Do you climb at

The Fins, Massacre Rocks, Teddy Bear Cove,
City of Rocks, Castle Rocks, or other crags in Eastern Idaho?

The East Idaho Climbers Coalition advocates for climber's interests in E/SE Idaho, promotes land stewardship, and education, and maintains fixed climbing hardware. The EICC works with land managers and private landowners to advocate for new and continued access to local climbing areas.

eastidahoclimbers.com

The EICC is a registered 501(c)(3) non-profit, volunteer organization, dedicated to climber education, land stewardship, and preserving climbing access.
